

2021 Spring Seminar

Credits: 1

Instructor: Faculty Members of the SCST Program

Outline:

Each week, we will invite two to three faculty members to introduce their research. Students have to attend the class and ask questions. In the spring semester, students are also required to give presentation. Students can share the paper which they are interested or give the presentation about their research field.

Class hour: Every Wednesday, from 14:30 to 16:30

Classroom: B105, Institute of Chemistry, AS

Scoring: All the newly enrolled students should attend this course for one year. Professors will leave at least five minutes at the end of the class for questions. The scores of the students will be from the questions they ask, attendance and the presentation in spring semester.
