

Seminar

Credits: 1

Instructor: Faculty Members of the SCST Program

Outline:

Each week, we will invite faculty members to introduce their research. Students have to attend the class and ask questions. In the spring semester, students are also required to give presentations. Students can discuss the paper(s) related to their research or in their interests.

Class hour: Every Wednesday, from PM 2:30 – 4:30

Classroom: B105, Institute of Chemistry, AS

Scoring: All the newly enrolled students should attend this course for one year. About five minutes at the end of the class are given for questions to the presenters. The scores of the students will be based on the numbers of questions they ask, attendance and the presentation in spring semester.
